Did you remember everything?

If the application for a Danish residence permit is correctly filled out and contains the required documents, the Danish Agency for Labour Market and Recruitment can process the case faster.

It is therefore important that the employer makes certain that part 2 of the form is filled out correctly before forwarding it to the applicant.

We recommend using the checklist below to verify that the application is complete and correct.

Checklist – employer

Before the form is sent to the applicant, please ensure that the employer has (please tick the box)

- ☐ answered all questions in part 2 (sections 14-20) and has
- ☐ signed and dated the application in section 22.

It is also important that the employer has attached:

- ☐ Documentation for wage and terms of employment, which are not stated in the employment contract, e.g. paid rent or salaries paid abroad
- ☐ Advance statement from athletic association. **Only** if the applicant is a **professional athlete** or **coach**. The form can be downloaded from www.newtodenmark.dk/forms (in Danish only)
- ☐ Documentation that the position is innovative in nature, is part of a project, or has an educational purpose. Such documentation includes: a description of the project or a statement by the company's liaison committee or the company's employee representatives. **Only** if the applicant is applying for a residence permit under the **Corporate scheme**.
- ☐ Documentation for **trainee** position. Special documentation is required if the applicant's position in Denmark is a trainee position. Read more at www.newtodenmark.dk/trainees
